WHAT IS A PEN-PAL RELATIONSHIP

Pen pals are people who regularly write to each other, particularly via postal mail. Pen pals are usually strangers whose relationship is based primarily, or even solely, on their exchange of letters.

THE M.O.B SOLUTION

Money on Books understands how important a Pen Pal is to an inmate. Having one can help the inmate feel less isolated, help improve their self-identity, help create distractions from the routine of prison life, and gives them hope that they are accepted to the outside world.

It's why we implemented the Money on Books Pen Pal Service. You are able to create a profile on the MOB website and began interacting with new friends.

Must be registered with Money on Books before completing an application.
